Access your own personal Patient Portal online

https://health.eclinicalworks.com/IUPUICampusHealth

Look Inside for help logging in and finding the information you need.
IUPUI Campus Health
Patient Portal Information

How do I log in?
You will receive an email with your username and password. Please follow the directions to log in within 24 hours.

Go to the Portal at:
https://health.eclinicalworks.com/IUPUCampusHealth
Use Chrome or Firefox as your browser.

Enter your username & password
Don’t remember your password? Click on “Can’t access your account?”

How do I make an appointment?
Look at the left panel for the ‘Appointments’ box. Click on ‘Appointments’ -> ‘New Appointment’.

Click on the arrow on the right in the box under ‘Facility’. Select a clinic, a provider and a visit type. Appointment types are limited.

Visit Type: Medicine Refill
Acute Illness/Injury
Birth Control & or pap
Physical Exam
Enter a reason and select a date.

Already made an appointment but don’t remember the details? Click on “Upcoming Appointments”.

How do I see my lab tests?
All blood tests, TB skin tests, TB questionnaires and respirator fit tests are considered lab tests.
Click on ‘Medical Records’ and choose Lab/Diagnostic Reports.

How can I print my Immunizations or a lab test?
Click on the specific lab and then Print in the upper right screen. Immunizations cannot be individually printed.

How do I send a messages?
Select ‘Messages’, then ‘Inbox’. Click Compose to start a new message. Complete ‘Subject’, ‘Addressed To’, ‘Message’ and click the Submit button. Please provide a name for Addressed To, if possible.

How do I read a message sent to me?
Click on Messages then Inbox.
