

IUPUI

**CAMPUS HEALTH**

INDIANA UNIVERSITY-PURDUE UNIVERSITY  
Indianapolis

**IUPUI VACCINATION  
AUTHORIZATION FORM**

In order to charge an IU department for vaccines or titers needed for travel, the supervisor must authorize IUPUI Campus Health to administer the vaccines and bill the department. An administration fee is included in the department's bill.

Payment for any vaccines administered to an employee or student, without a completed authorization form, will be the responsibility of the employee or student. The vaccinations to be administered include (please check the vaccine(s) to be administered):

- TDap
- Hepatitis A (2 in a series, administered on day 0 & 6 months)
- Hepatitis B (3 in a series, administered on day 0, 2 months & 6 months) months after the first.
- Japanese Encephalitis (2 in a series, administered on day 0 and 28)
- Polio
- Rabies (3 in a series, administered on day 0, 7 & 21)
- Typhoid
- Yellow fever
