

Welcome to IUPUI!

You are scheduled for a pre-employment assessment at IUPUI Campus Health.

Below are a few details we would like to share with you in order to ease the process. You may plan to be in our office for about one hour for your first visit.

- Please download and complete the **Health History for New Hires** form and **bring to your appointment**. It is found in the Forms section of this website.
- **Please arrive prepared to give a urine specimen for urine drug screening. Bring your Driver's license or other government issued ID to verify your identity.**
- **Please bring ALL of your immunization records.** Good sources for locating these records include your **childhood** county health department, pediatrician, high school, or previous healthcare employers. Necessary vaccine records (depending on your position) include: MMR (2 doses),  
Tdap (tetanus with pertussis) as an adult, or Td within 10 years  
varicella (2 doses), a history of having had chickenpox is insufficient  
hepatitis B (3 doses) and  
TB surveillance (TB skin test or Interferon Gamma Release Assay (IGRA) blood test).

If you are unable to locate records, you may be given the necessary vaccines. Another option may be to draw blood to check your immune status.

- NOTE: If you have had the shingles vaccine, please bring documentation.
- If you have had major surgery within the last five years, please bring a copy of your final release to **work without restrictions** from the pertinent physician.
- If a TB skin test is given, you will need to return to the clinic 48-72 hours after placement.

Please be aware that we are a medical clinic and unforeseen emergencies may arise which may delay your appointment time.

Our office is located on the first floor of Coleman Hall on the IUPUI campus. Although the address is 1140 W. Michigan Street, the building faces Medical Drive and the Glick Eye Institute. It is between the Glick Eye Institute and the Riley Outpatient Garage (paid parking open to the public). Please view the campus map at: <http://www.iupui.edu/map>. We do not validate parking for visits to this office.

Thank you for taking the time to help make your visit a pleasant experience; we look forward to serving you!

Sincerely,

IUPUI Campus Health
